

21st October 2022

Dear Parents and Carers,

The health and welfare of all our pupils is paramount in this school, and as a few of our pupils choose to smoke, or use vapes, we would like to remind you that support is available for your child if they wish to stop. As you know, smoking is a health risk and the legal age for smoking is sixteen.

Also, please note that it has been brought to our attention that some pupils are bringing illegal vapes into school. If your child has this type of vape in their possession, it will be disposed of, and you will be informed.

The illegal vapes are 16ml and 7,000 puffs – over eight times the legal limit in the UK.

If you wish to speak to us about this, or would like further information regarding support for stopping, please contact the school office.

Thank you for your continued support.
